## Purpose of the Call for expression of interest: application for participation in the EU Space ISAC

The EC, with the support of EUSPA, is launching a call for expression of interest (hereinafter “Call”) to invite Participants to the EU SPACE ISAC.

The context of this call, the objectives of the EU SPACE ISAC, the eligibility and evaluation criteria against which applications will be assessed are specified in the Terms of Reference of the EU SPACE ISAC.

Participants within the EU SPACE ISAC consist of **Members** and **Public Partners** as defined in the glossary of the Terms of Reference of the EU SPACE ISAC.

For the purpose of this Call, applicants shall specify if they apply as Members or as Public Partners.

All applicants shall present their motivation, a commitment to active participation (including a description of their future involvement), the description of the expertise that would be relevant for the purposes of the EU SPACE ISAC, their interest for working groups and their expectations from the EU SPACE ISAC, as established in section 2.

The evaluation will also consider the characteristics of the applicant, i.e. if it is an SME or a larger industrial player. The level of commitment expected from each applicant will be based on their means and available resources, ensuring a proportionate contribution.

## Procedure for the submission of expression of interest

Cut-off dates for the ongoing call for expression of interest are specified in the timetable below.

Applications shall be submitted by filling in the appropriate Application form, in English, by an applicant’s authorised representative (e.g. power of attorney, entity’s extract from commercial registry, etc.);

The Application form is available at the following address:  
<https://ec.europa.eu/eusurvey/runner/EU-SPACE-ISAC-Application>

The Application form provides the following information:

1. Identification of the person submitting the application, proving that the person that filled in the form is the applicant’s authorised representative (e.g. power of attorney, entity’s extract from commercial registry, etc.);
2. Application, including the description of:
  - a. Involvement, experience or expertise in the space sector/domain and in its security;
  - b. Expectations from the EU SPACE ISAC;
  - c. Proposal of activities for the EU SPACE ISAC and ideas for active participation / contribution. Examples of active contribution can include: chairmanship of a working group, sharing information/returns of experience on specific topic, potential deliverables, organisation of events...
3. Declaration of Honour on the exclusion criteria, guaranteeing that the applicant is not a restricted person/ entity, does not fall under the scope of EU restrictive measures in

the list published at [www.sanctionsmap.eu](http://www.sanctionsmap.eu), and fully complies with EU restrictive measures;

#### 4. Ownership and Control
