

#EUSpace 

#EUSPAOpenDays
Prague | 1 - 2 December 2023

Agenda

Continuous activities

- **Kids' Space and Treasure Hunt**

Dive into the cosmos with interactive activities for children, such as creating satellite models and becoming explorers, navigating EUSPA Headquarters to complete missions at different interactive stands. Collect stamps and earn rewards!

- **3D Aerial Projection in Copernicus Tunnel**

Embark on a fascinating 3D adventure using Copernicus data, unveiling the secrets of the universe.

- **Career Corner**

EUSPA HR and staff will unveil insights about their careers and the constellation of opportunities across our various sites.

Sounds interesting? Stop by at any time or attend a presentation on job opportunities at EUSPA on Saturday at 11:00 AM.

- **For a schedule of introductory presentations on EUSPA in English and Czech, please see next page.**
