Related to Call for Proposals GSA/GRANT/02/2015

“Development of E-GNSS engine for safety-critical multi-applications in road transportation”

1. **Question:** Can you please confirm if Norway and Switzerland are able to participate in the call for proposals?

Answer: Yes indeed. Both countries are entitled countries to participate in this call. At the moment both of them are the only “third countries” eligible to participate in the EU GNSS Programmes.
