

Clarification Note #1

EUSPA internal reference: 272905

CASSINI Prize for digital space applications

Question 1: Could you please clarify if public research laboratories are eligible to participate in the present prize contest?

Answer 1: The eligibility requirements (i.e. place of establishment and definition as SME) for the present prize contest are set in the section 6 of the Rules of Contest. For assessing whether the company is an SME, please refer to the link under the footnote 13 of the Rules of Contest and in particular to the [EU recommendation 2003/361](#). Please further note that as per the said section of the Rules of Contest joint applications by a group of participants are eligible. In such case, all participants shall fulfill individually the eligibility requirements.
