

Clarification Note #1

Prize contest: GSA MyGalileoApp Contest 2019

Question #1: Would Brexit affect access to MyGalileoApp funding? If so, who would be affected?

Answer: In case of Brexit, the following two categories of participants will be affected:

- United Kingdom citizens will not be eligible for the team coordinators anymore,
- Teams representing a legal entity based in United Kingdom shall not be eligible anymore.

UK citizens will however remain eligible to participate as team members.

Question #2: In case of Brexit, can affected teams be regularised?

Answer: Only teams composed by natural persons coordinated by United Kingdom citizens can be regularised by appointing a new EU coordinator, who must already be part of the team. Teams failing to regularise their status shall be excluded from the competition.

Question #3: If a PhD is half funded by ESA in the frame of a Networking Partnership/Initiative (NPI), is the PhD student considered an “ESA employee”?

Answer: No, such situation is not falling under the situation of employment by ESA.
