

# Certificate of Approval

This is to certify that the Management System of:

## European Union Agency for the Space Programme

Janovského 438/2, 170 00 Praha VII Holešovice, Czech Republic

has been approved by LRQA to the following standards:

### ISO 9001:2015

Approval number(s): ISO 9001 – 0051705

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

#### The scope of this approval is applicable to:

The development, maintenance and continuous improvement of the EU's Space Programmes under the responsibility of the Agency and the corresponding provision of user-oriented services. This includes:

- Managing EGNOS exploitation;
- Managing Galileo exploitation;
- Operating the GSMC;
- Coordinate the user related aspects of GOVSATCOM;
- Performing security accreditation;
- Communicating, ensuring market uptake, and promoting innovation and entrepreneurship in European GNSS, Earth Observation, and governmental secure communications applications and services;
- Operating the necessary enabling administration platform.

**Paul Graaf**

Area Operations Manager, Europe
