2026 winner - promotion pack

## Dear Winner,

Congratulations on your outstanding achievement of being selected as one of the winners in the 2026 CASSINI Challenges!

Your innovative space-based solution stood out for its excellence, impact and strong commercial potential, reflecting the promise of your MVP and the value it is already bringing.

To help celebrate your success, we've prepared a promotion package for you to share this milestone with your network. Use it to inspire others to build with Galileo, Copernicus, GOVSATCOM, SST and the wider EU Space Programme.

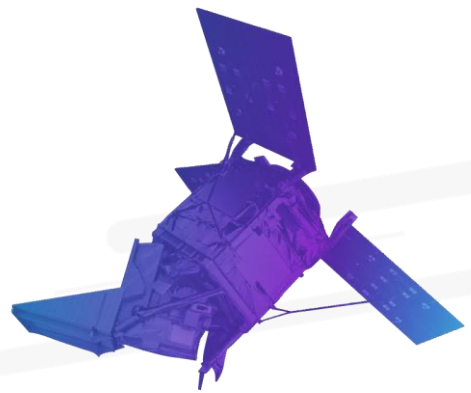

Once again, congratulations on this well-deserved win. We're proud to welcome you to the CASSINI community and look forward to continue seeing your solution grow into a real-world success story.
