

Clarification Note #1

EUSPA internal reference: 310129

Procurement procedure: EUSPA/OP/18/24 (EUSPA/PRG/2024/OP/0011)

Title: 'Galileo Reference Centre (GRC) Facilities Management and Logistics (FML) Services'

Question #1: Given the complexity of the tender, the detailed schedules and pricing we and our partners need to submit, we would like to ask you to consider an extension of the submission deadline with 3 weeks (19th March as proposed new date). We discussed this during site visit and local FM suggested to ask for this if needed. For a qualitative reasons this would help us build an even better proposal for the Galileo project.

Answer #1:

Considering that:

- the tender documentation was published on 12/11/2024 with an initial deadline for submission of offers set for 26/02/2025 resulting in a bid preparation of 3 months;
- no substantial changes to the tender documentation have been introduced as of the launch of the procurement procedure;
- the criticality to ensure business continuity and due coverage of the Contracting Authority's needs;

it has been decided to extend the deadline for receipt of offers by two weeks. Therefore, the time limite for submission of tenders is 12/03/2025 at 23:59 Prague local time.
