Clarification Note No 4

EUSPA internal reference: WF 327544

Call for Expression of Interest for High Accuracy Service (HAS) Full Service Testing

Question no. 7: We would kindly like to inquire whether it would be possible to extend the current submission deadline of 30 October 2026. An extension would allow us additional time to complete the necessary internal administrative procedures and ensure the proper preparation and submission of the required documentation.

Answer no. 7: Please refer to Corrigendum no 3.
