Clarification Note No 5

EUSPA internal reference: **WF 327995**

Call for Expression of Interest for High Accuracy Service (HAS) Full Service Testing

Question no. 8: Unfortunately, despite our efforts to complete the required documentation within the extended deadline, we have encountered further unexpected internal difficulties. (…) we would therefore be extremely grateful if you could consider granting an additional two-week extension, until 27 November 2026, or any alternative extension that may be feasible.

Answer no. 8: Please refer to Corrigendum no 4.
