

CORRIGENDUM No. 1

Internal EUSPA reference: WF [318559](#)

Related to Grant procedure: EUSPA/GRANT/01/2025

"Galileo HAS enabled Space receiver"

1. The following elements of the **Call for Proposals** are updated:

a) **Section 2.4 – “Deliverables”** – is updated as follows:

Initial version

During the implementation of the action the beneficiaries are expected to submit a number of deliverables (some of them being documents and/or hardware).

The list of deliverables shall include at least the following:

- D-01: Project management Plan (including risk management) document. The document shall be delivered for review the first time at the Kick-Off meeting and then updated every six months for review.
- D-02: Application Selection Document (including User Requirements for objective n.1). The document shall be delivered for the Mission Definition Review milestone (MDR) or at the Preliminary Requirements Review (PRR) milestone and in case of relevant updates also at the FR.
- D-03: Solution(s) Requirements Specification document. The document shall be delivered for the Preliminary Design Review milestone (PDR) or at the Preliminary Requirements Review (PRR) milestone and in case of relevant updates also at the FR.
- D-04: Preliminary Architecture of the prototype Document. The document shall be delivered for the Preliminary Design Review milestone (PDR) or at the Preliminary Requirements Review (PRR) milestone and in case of relevant updates also at the FR.
- D-05: Detailed Architecture and Design Justification File of the prototype document. The document shall be delivered for the Preliminary Design Review milestone (PDR) or at the Preliminary Requirements Review (PRR) milestone and in case of relevant updates also at the FR.
- D-06: Test Plan and Procedures documents. The document shall be delivered for the Critical Design Review milestone (CDR) in case of relevant updates also at the FR.

- D-07: Tests reports documents. The document shall be delivered for the Critical Design Review milestone (CDR), the Acceptance Review milestone (AR) and in case of updates also at the FR.
- D-08: Dissemination Plan document. The document shall be delivered for the first time at the Kick-Off meeting and then updated every six months for review.
- D-09: Business Plan (for objective no.1) or market entry strategy (for objective no.2) document. The **preliminary business plan/market entry strategy submitted with the proposal** shall be updated and delivered at the Kick-Off meeting and then updated every six months for review.
- D-10: Quarterly reports documents. The document shall be delivered on quarterly basis reporting about progresses of the project.
- D-11: Final Report document. The document shall be delivered at the Final Review milestone.
- D-12: prototype toolkit and supportive documentation shall be delivered at the Final Review.

The beneficiaries shall deliver to the EUSPA the fully functional demonstration kit [D-12] (signing – at the time of delivery of the demonstration kit – a Free of charge right of use Agreement for a 5 years duration – see Template under Annex VIII), along with permissions and licences for the uses defined in the draft Grant Agreement (Article I.10), and any related documentation needed to use the toolkit properly, and shall also train EUSPA staff in order to make the EUSPA able to reproduce the demo after the completion of the project at EUSPA or other EU institutions, bodies or agencies' premises.

EUSPA reserves the right to timely inform (e.g. at the Final review meeting) the beneficiary about the place of delivery of the deliverable number 12 (either the EUSPA or other EU institutions).

After Corrigendum 1

During the implementation of the action the beneficiaries are expected to submit a number of deliverables (some of them being documents and/or hardware).

The list of deliverables shall include at least the following:

- D-01: Project management Plan (including risk management) document. The document shall be delivered for review the first time at the Kick-Off meeting and then updated every six months for review.
- D-02: Application Selection Document (including User Requirements for objective n.1). The document shall be delivered for the Mission Definition Review milestone (MDR) or at the Preliminary Requirements Review (PRR) milestone and in case of relevant updates also at the **Final Review (FR)**.
- D-03: Solution(s) Requirements Specification document. The document shall be delivered for the Preliminary Design Review milestone (PDR) or at the Preliminary Requirements Review (PRR) milestone and in case of relevant updates also at the **Final Review (FR)**.
- D-04: Preliminary Architecture of the prototype Document. The document shall be delivered for the Preliminary Design Review milestone (PDR) or at the Preliminary Requirements Review (PRR) milestone and in case of relevant updates also at the **Final Review (FR)**.

- D-05: Detailed Architecture and Design Justification File of the prototype document. The document shall be delivered for the **Preliminary Critical Design Review** milestone (**PCDR**) **or at the Preliminary Requirements Review (PRR) milestone** and in case of relevant updates also at the FR.
- D-06: Test Plan and Procedures documents. The document shall be delivered for the Critical Design Review milestone (CDR) in case of relevant updates also at the **Final Review (FR)**.
- D-07: Tests reports documents. The document shall be delivered for the Critical Design Review milestone (CDR), the Acceptance Review milestone (AR) and in case of updates also at the **Final Review (FR)**.
- D-08: Dissemination Plan document. The document shall be delivered for the first time at the Kick-Off meeting and then updated every six months for review.
- D-09: Business Plan (for objective no.1) or market entry strategy (for objective no.2) document. The **preliminary business plan/market entry strategy submitted with the proposal** shall be updated and delivered at the Kick-Off meeting and then updated every six months for review.
- D-10: Quarterly reports documents. The document shall be delivered on quarterly basis reporting about progresses of the project.
- D-11: Final Report document. The document shall be delivered at the **Final Review (FR)** milestone.
- D-12: prototype toolkit and supportive documentation shall be delivered at the **Final Review (FR)**.

The beneficiaries shall deliver to the EUSPA the fully functional demonstration kit [D-12] (signing – at the time of delivery of the demonstration kit – a Free of charge right of use Agreement for a 5 years duration – see Template under Annex VIII), along with permissions and licences for the uses defined in the draft Grant Agreement (Article I.10), and any related documentation needed to use the toolkit properly, and shall also train EUSPA staff in order to make the EUSPA able to reproduce the demo after the completion of the project at EUSPA or other EU institutions, bodies or agencies' premises.

EUSPA reserves the right to timely inform (e.g. at the **Final Review (FR)** meeting) the beneficiary about the place of delivery of the deliverable number 12 (either the EUSPA or other EU institutions).

b) Section 2.5 – “Project Workflow”, is updated as follows:

INITIAL VERSION

The project workflow shall be organised into several work packages with clear indication which deliverables and milestones every work package includes. The work package description shall:

- specify activities which will be part of the work package and identify which applicant will lead them, and which applicant(s) will contribute to their achievement
- identify the deliverables applicable to each work package. Aggregation of the deliverables into work packages should be rational, logical, credible and traceable vis-a-vis the scope of the relevant work package.

- Specify the duration of each work package (starting month and month in which the work package will be concluded).

The proposed workflow shall in principle contain the following milestones:

- Mission Definition Review Requirement Definition Acceptance Review
- Preliminary Requirements Review (PRR)/ System Requirements Review (SRR)
- Critical Design Reviews (CDR)/Qualification Reviews/Acceptance Reviews
- Final Review

The applicant can propose a different project workflow, if considered beneficial to better achievement of the project objectives. However, any deviations shall be duly justified and will be evaluated against the award criteria (Section 10).

AFTER CORRIGENDUM 1

The project workflow shall be organised into several work packages with clear indication which deliverables and milestones every work package includes. The work package description shall:

- specify activities which will be part of the work package and identify which applicant will lead them, and which applicant(s) will contribute to their achievement
- identify the deliverables applicable to each work package. Aggregation of the deliverables into work packages should be rational, logical, credible and traceable vis-a-vis the scope of the relevant work package.
- Specify the duration of each work package (starting month and month in which the work package will be concluded).

The proposed workflow shall **in principle** contain, **as a minimum**, the following milestones:

- Mission Definition Review (MDR), Requirement Definition Acceptance Review
- Preliminary Requirements Review (PRR), /System Requirements Review (SRR)
- Preliminary Design Review (PDR),
- Critical Design Review (CDR),
- /Qualification Reviews/Acceptance Reviews (AR),
- Final Review (FR),

The applicant can propose a **different** project workflow **including more milestones with respect to the list above**, if considered beneficial to better achievement of the project objectives. However, any deviations shall be duly justified and will be evaluated against the award criteria (Section **Error! Reference source not found.10**).

c) Section 3 “Timetable”

The deadline for submission of application, and as a consequence all the other deadlines, have been extended. In light of this:

Section 3 is updated as follows.

	Stages	Date/time or indicative period
a)	Publication of the call	24/10/2025
b)	Deadline for request for clarifications	13/01/2026-10 February 2026
c)	Publication of the clarifications	21/01/2026-18 February 2026
d)	Deadline for submitting applications	30/01/2026-27 February 2026
e)	Evaluation period	February-June March - July (indicative)
f)	Information to applicants on the outcome of the evaluation	June July (indicative)
g)	Signature of the grant agreement	July August (indicative)

Section 17.3 “Deadline for submission” is updated as follows:

The proposals shall be submitted as indicated above:

- a. by post or by courier not later than **30/01/2026-27 February 2026**, in which case the evidence of the date of dispatch shall be constituted by the postmark or the date of the deposit slip, to the address indicated below
- b. delivered by hand not later than **30/01/2026-27 February 2026-at 16:00** Prague local time to the address indicated below. In this case, a receipt must be obtained as proof of submission, signed and dated by the EUSPA personnel who took delivery.

d) **Section 16.2.1 – “Administrative Proposal (A1-A5)”, the link for the Business Partner Identification Form is updated with a correct functioning link.**

The abovementioned changes are identified in red in the updated Call for proposals.
