

CORRIGENDUM 1

Title of Procedure:

"Call for expression of interest to establish a list of external remunerated experts"

Publication Reference: EUSPA-CEI-03-26

WFID: 326754

Applicants are informed of the following changes in Annex I "Template Application form" to the Call published on 18/02/2026:

1) The column I "Sub Areas" is added to the table on the "Required qualifications and experience within any of the Sub-Areas" in order for applicants to specify and indicate to which Sub-Area the declared Qualifications relate to.

EUSPA		Annex I to the Call for Experts - Application Form - Updated Corrigendum 1				
Under each chosen Area of expertise the applicant must choose: (i) At least 1 Sub-Area and (ii) provide the relevant qualifications and experience within the Sub-Areas. If these requirements are not met the application will not be eligible.						
Any of the items mentioned under "Qualifications" may relate to any of the items mentioned under "Sub-Area". In case the applicant selects more than one Sub-Area, s/he must clearly indicate which Qualifications relates to which Sub-Area. For each chosen qualification the applicants must also indicate the level of experience: '5 years' or '10 years' by marking the appropriate box with an X.
