CORRIGENDUM #1

1. The Tender Specifications are amended as follows:

a. A new section entitled "Industry Day" is added to the Tender Specifications, as set out in Section 15.9 (see Annex I to this Corrigendum). An Industry Day will be organised to provide interested economic operators with further information on the procurement procedure, its scope and contractual arrangements. Further details, including the date and registration modalities, will be communicated in due course.

b. The procurement timeline in Section 2.1 of the Tender Specifications is updated as set out in Annex I to this Corrigendum.
