

## Announcement of a planned tender procedure

**Procurement procedure title: Emergency Management tool – Field Response Component (FRC)**

**Procurement procedure reference: EUSPA-NP-28-25**

The European Union Agency for the Space Programme (EUSPA) is planning to launch a procurement procedure with the following characteristics:

**Type of procedure:** Negotiated procedure for middle value contracts according to Article 167 (1) (d) and Point 14.1 and 14.2 of Annex I to the Financial Regulation<sup>1</sup>.

**Subject-matter:** The procurement is aimed at the development of the Field Response Component (FRC) of a Galileo emergency management tool.

The FRC is a smartphone application interacting with a back-office (i.e. Operational Centre Component) to be used by deployed personnel (i.e. responders and volunteers) for exchanging geolocated and timestamped data during emergency situations.

The procurement is also aimed at tackling interoperability challenges between users in order to facilitate data exchange in emergency situations and at stimulating downstream industry to build on top of existing solutions.

**Estimated value:** Up to 139,000 EUR

**Place of performance:** The place of performance of the tasks shall be the contractor's premises, and other locations to be agreed with the Contracting Authority during contract execution.

**Estimated timeline for launch of procedure:** September 2026

**Estimated timeline for contract kick-off:** December 2026/January 2027

EUSPA reserves the right to change the scope, estimated value and timeline of the procedure.

EUSPA may decide not to launch the present procurement. Such action shall not entitle the interested entities to claim any compensation.

If you are interested in participating in the tender above, please express your interest by sending an email before **31/07/2026, 17:00 (Prague local time)** to the following email address: [tenders@euspa.europa.eu](mailto:tenders@euspa.europa.eu) The subject of the email shall be "EUSPA-NP-28-25 - Emergency Management tool – Field Response Component (FRC) – Expression of Interest".

No further information is required at this stage of the procedure. Economic operators having expressed their interest may be invited to submit an offer.
