1st #EUSpace4Ukraine Hackathon

- **Goal:** Mobilise EU Space community to develop solutions for NGOs/Helpers to enhance humanitarian support for Ukraine. The hackathon will focus on *roadmaps for supplies, satellite temporary connection, identification of the level of destruction, creation of platforms for integrating in new countries, coordination of private/public organizations*
- **Participants:** Innovators/app developers, companies, students or anyone interested to develop an idea and matchmake with NGOs/helpers
- Opportunity for NGOs/Helpers to **become a partner** and :
 - Become a mentor for innovators/app developers
 - be part of the jury
 - Participate in the hackathon event and matchmake with innovators/app developers

Webinar for the hackathon: **6th June at 5:30 pm**
Hackathon: **29th June – 1st July 2022**
