 - After the opening of tenders
 - * If clarification is required or if obvious clerical errors in the tender need to be corrected, the contracting authority may contact the tenderer provided the terms of the tender are not modified as a result.

This opening session will be public. A representative of each tenderer may attend the opening of the bids. At the end of the opening session, the Chairman of the opening committee will indicate the name of the tenderers and the decision concerning the admissibility of each offer received. The prices indicated in each received bid will not be communicated. Should you wish to attend, please send a request (at least 5 calendar days before the date of the opening) to the following e-mail address tenders@gsa.europa.eu, indicating the name of the attending person and the tenderer he/she represents.

11. This invitation to tender is in no way binding on the GSA. The GSA's contractual obligation commences only upon signature of the contract with the successful tenderer. Up to the point of signature, the contracting authority may either abandon the procurement or cancel the award procedure, without the candidates or tenderers being entitled to claim any compensation. This decision must be substantiated and the candidates or tenderers notified.
12. You will be informed of the outcome of the evaluation in due course.
13. If your offer includes subcontracting, it is recommended that contractual arrangements with subcontractors include mediation as a method of dispute resolution.
14. Processing your reply to the invitation to tender will involve the recording and processing of personal data (such as your name, address and CV).
