

Corrigendum on the European GNSS Supervisory Authority Open Invitation to Tender GSA/OP/01/07 – A Study on a future GSA Performance Monitoring and Analysis Facility

Please note the inconsistency between sections I.6.2.1. and I.6.4.1. regarding the several categories of services to be provided by the EGNOS and Galileo concessionaire.

The list of EGNOS and Galileo services appearing on section I.6.2.1.:

1. Galileo navigation services and external interfaces: OS, CS, SoL, PRS, ERIS and SAR return link
2. Galileo SAR
3. EGNOS services: OS, SoL and CDDS

Must be superseded by the set of services listed in section I.6.4.1., namely:

1. Galileo navigation services: OS, SoL, PRS
2. Galileo data dissemination services: SAR, ERIS, CS
3. EGNOS services: OS, SoL and CDDS
