

INVITATION TO TENDER No. GSA/OP/03/09

PRS Operational Tool to Evaluate and Counteract Threats Originating from Radio-sources ("PROTECTOR")

Clarification 9 – Forms

Question: Are subcontractors required to complete the forms in the annexes to the PROTECTOR tender?

GSA Answer:

Annex Number	Annex Title	Concerned entities
1	Identification of the tenderers	All tenderers (including subcontractors)
2	Financial identification form	Only the company heading the project
3	Legal entity form	Only the company heading the project
4	Declaration by the tenderer	All tenderers (including subcontractors) Note: subcontractors do not need to provide the evidence requested in point IV.1.1 of the tender specifications if their tasks represent less than 20% of the contract. They must complete the declaration though.
5	Declaration of background	All tenderers (including subcontractors)
8	NDA	All tenderers (including subcontractors)
