Development of an advanced interference detection and robustness capabilities system

Question #1: What documents need to be submitted as a proof of the Local Security Officer appointment? Is there a specific template that tenderers need to submit?

Answer #1: The proof of appointment of a LSO –may be provided in the form of a letter, signed by the entity's authorised signatory indicating the appointed Local Security Officer, or by submitting a copy of the formal appointment of the LSO. If the LSO is an authorised signatory of the entity - a self-declaration of the person appeared to be the LSO is sufficient. No specific template is available.
