

## **Clarification Note #2**

GSA internal reference: 253748

**Procurement procedure: GSA/NP/02/19**

**EGNOS geostationary SBAS payload service GEO-4**

**Question # 2: Is it possible to have more info about this tender, in particular, is it possible to receive the SoW or any other docs which can help understand who can participate in this tender?**

**Answer # 2:** At this stage of the procurement procedure, the complete Statement of work is not available for publication.

Interested economic operators are invited to analyse in particular the Tender Information Package (please refer to the selection criteria) and the Descriptive Document available on the website to decide if they should submit a request to participate.
