

## CORRIGENDUM 2

Title of Procedure: EGNOS V3 Site Surveys

Publication Reference: GSA/OP/21/15

Date: 04-05-2016

**1. Article 2.3 of the Tender Specifications detailing the Terms of Reference of Specific Contract #1 is amended as follows:**

“The GSA intends to award the first specific contract under the contemplated framework contract immediately after the framework contract signature. To this end, the tender *shall15* provide as part of its tender a proposal for specific contract 1 (SC 1).

Specific Contract #1 *shall16* include the performance of site surveys of all EGNOS V2 RIMS sites listed in Annex I.7.

The following requirement *shall17* apply to SC #1:

- (1) Scope:  
Task#1 and Task #2 (applicable only to the sites retained at Task#1) for EGNOS V2 RIMS as per the detailed list provided in Annex I.7
- (2) Maximum duration of the time period for all site surveys fulfilment: 12 months after the signature of SC#1.
- (3) Deliverables – as per section 2.2.5
- (4) Payment – quarterly payments as per the model framework contract (Annex II to the Invitation to Tender)
- (5) Content of the technical proposal – as per section 4.4.4
- (6) Content of the financial proposal – as per section 4.4.5
- (7) Validity of the offer – 9 months of the deadline for proposal submission
- (8) Project planning – a detailed project plan, compliant with the SC#1 fulfilment deadline set in section 2.3 (2) above and foreseeing a rate of minimum 4 sites per month shall be proposed by the contractor in its offer (part of the tender offer).
- (9) Milestones

The timely performance of SC#1 is of essence. Milestones shall be set at the end of 3<sup>rd</sup>, 6<sup>th</sup>, 9<sup>th</sup> and 12<sup>th</sup> month after the SC#1 signature.

The GSA reserves the right to:

- request modification of the planning at the specific contract kick-off meeting in relation to the sequence of the site surveys to be performed, provided this will not influence adversely the time schedule proposed by the tenderer;
- cancel the surveys of certain sites (3 maximum) during the SC duration informing the contractor at least two months before the planned start date of the site survey concerned.

The GSA shall have the right to impose liquidated damages as defined in Article II.12 of the draft framework contract, should the contractor fail to timely perform as per the predefined schedule due its fault. The liquidated damages (if any) shall be calculated based on the value of the services due to be performed during the respective quarter and the time period for their performance as defined in the specific contract.”
