79713000 Guard services

II.2.3) **Place of performance**

NUTS code: NL4 ZUID-NEDERLAND

Main site or place of performance:

Galileo Reference Centre, Noordwijk, the Netherlands

II.2.4) **Description of the procurement:**

Disclaimer: the description given below is indicative and is aimed at outlining the concept of the contemplated procurement contract in broad terms, hence it may be further amended before the procurement launch.

The primary mission of the Galileo Reference Centre (GRC) is to perform independent monitoring of the Galileo Services and to report it to the relevant stakeholders. It provides the GSA, as the Galileo Service Provider, with an independent means of evaluating the performance of the Galileo Service Operator and the quality of the signals in space. It is fully independent of the system and the Galileo Service Operator with respect to both the technical solution (hardware, software, reference products, etc.) and operations. The GRC also assesses the compatibility and interoperability between Galileo and other GNSS.

The scope of this procurement is the provision of on-site guarding personnel services during the nominal opening hours of the facility, between 07:00 and 20:00, and 24/7 remote security and safety monitoring of the GRC.

The GRC building comprises of approximately 25% technical rooms (including laboratory), 15% operational rooms, 25% office space, 25% communal staff areas and reception facilities, and 10% meeting and conference facilities. In addition to the internal building facilities, the GRC also has a gated area of land that includes the moat around the building and on-site parking facilities that amounts to over 3000 square meters of space.

II.2.14) **Additional information**

II.3) **Estimated date of publication of contract notice:**

29/01/2021
