

Announcement of a planned tender procedure

Procurement procedure title: Software solution to support corporate security

Procurement procedure reference: EUSPA/NP/15/23

The European Union Agency for the Space Programme (EUSPA) is planning to organise a tender procedure having the following characteristics:

Type of procedure: Negotiated procedure for middle value contracts.

Subject-matter: The subject matter of the procurement procedure is the delivery of a software solution to support corporate security (COTS software application) to be deployed at three EUSPA sites listed below. The solution shall be able to support full life-cycle management of the registered/accounted assets in a secure accountable way (confidentiality, integrity, non-repudiation) in segregated EUCI registries and Crypto Accounts as well as personnel management (PSC, authorizations) and other aspects of corporate security which will be fully defined in the Invitation to Negotiated Procedure. The solution shall support central oversight.

The solution delivery shall include COTS software application, support for deployment, documentation, training, maintenance, and warranty.

Further specifications shall be provided in the subsequent Invitation to Negotiated Procedure.

Estimated value: Up to 100 000 EUR

Place of performance: The delivery of the system, and its deployment, will be to EUSPA premises:

- Prague, Czech Republic,
- Saint-Germain-en-Laye, France
- San Martín de la Vega, Madrid, Spain

Estimated timeline for launch of procedure: Q3 2023

Estimated timeline for contract kick-off: Q4 2023

EUSPA reserves the right to change the scope, estimated value and timeline of the procedure.

EUSPA may decide not to launch the present procurement. Such action shall not entitle the interested entities to claim any compensation.

If you are interested in participating in the tender above, please express your interest by sending an email before **31/07/2023, 23:59 (Prague local time)** to the following email address: tenders@euspa.europa.eu. The subject of the email shall be "EUSPA/NP/15/23 – Software solution to support Corporate Security".

No further information is required at this stage of the procedure. Economic operators having expressed their interest will be invited to submit an offer.
