

## **Announcement of a planned tender procedure**

**Procurement procedure title: Provision of racks to the European GNSS Service Centre (GSC)**

**Procurement procedure reference: EUSPA/NP/30/21**

The European Union Agency for the Space Programme (EUSPA) is planning to organise a tender procedure having the following characteristics:

**Type of procedure:** Negotiated procedure for middle value contracts.

**Subject-matter:** The subject matter of the procurement procedure is the delivery of two TEMPEST racks and one unshielded rack to the European GNSS Service Centre (GSC) in Torrejón de Ardoz, Spain. The TEMPEST racks shall be manufactured by a company accredited by the General Secretariat of the Council of the European Union (<https://www.consilium.europa.eu/en/general-secretariat/corporate-policies/classified-information/information-assurance/tempest/>). The unshielded rack shall belong to the Varistar series produced by Schroff. All the racks shall comply with the EIA-310-D 19" standard. Further specifications shall be provided in the subsequent Invitation to Negotiated Procedure.

**Estimated value:** Up to 100,000.00 EUR

**Place of performance:** The racks shall be delivered at the GSC:  
European GNSS Service Centre  
Ctra. Ajalvir km 4 - Instituto Nacional de Técnica Aeroespacial  
28850 Torrejón de Ardoz  
Spain

**Estimated timeline for launch of procedure:** January 2022

The EUSPA reserves the right to change the scope, estimated value and timeline of the procedure.

If you are interested in participating in the tender above, please express your interest by sending an email before **21/01/2022, 17:00 (Prague local time)** to the following email address: [tenders@euspa.europa.eu](mailto:tenders@euspa.europa.eu). The subject of the email shall be "EUSPA/NP/30/21 – Provision of racks to the GSC".

No further information is required at this stage of the procedure. Economic operators having expressed their interest will be invited to submit an offer.
