

Announcement of a planned tender procedure

Procurement procedure title: Electro-Magnetic Interference measurement bench and Clear Horizon equipment ("EMI and Clear Horizon benches")

Procurement procedure reference: GSA/NP/12/21

The European GNSS Agency (GSA) is planning to organise a tender procedure having the following characteristics:

Type of procedure: Negotiated procedure for low value contracts.

Subject-matter: The subject matter of the procurement procedure is the delivery of a measurement bench allowing the performance of Electro-Magnetic Interference (EMI) surveys as well as the delivery of equipment allowing the performance of clear horizon assessment. The equipment will be ready for use, fully assembled, configured and delivered with appropriate transport boxes.

Estimated value: Up to 60,000.00 EUR

Place of performance: The delivery of the measurement bench and of the equipment will be to the GSA premises in Toulouse, France:
c/o CNES,
BPI 2100
18 Avenue Edouard Belin
31400 Toulouse
France

**Estimated timeline for
launch of procedure:** Q2 2021

The GSA reserves the right to change the scope, estimated value and timeline of the procedure.

If you are interested in participating in the tender above, please express your interest by sending an email before **14/05/2021, 17:00 (Prague local time)** to the following email address: tenders@gsa.europa.eu. The subject of the email shall be "GSA/NP/12/21 – EMI and Clear Horizon benches".

No further information is required at this stage of the procedure. Economic operators having expressed their interest will be invited to submit an offer.
