

Announcement of a planned tender procedure

Procurement procedure title:

"Secured interlocking door (sas) and CCTVs provision and installation for the GSA/GSMC in France"

Procurement procedure Reference: GSA/NP/17/20

The European GNSS Agency (GSA) is planning to organise a tender procedure having the following characteristics:

- Type of procedure:** Negotiated procedure for middle value contracts
- Subject-matter:** The subject-matter of the procurement procedure is provision and installation of a Secured interlocking door (sas) and CCTVs needed for the connexion between the main GSMC-FR building and a modular construction.
- Place of performance:** France/Contractor's premises
- Estimated value:** 60,000.00 EUR (for 6 months)
- Estimated timeline for launch of procedure:** Oct 2020

The GSA reserves the right to change the estimated value and timeline of the procedure.

If you are interested in participating in the tender above, please express your interest by sending an email before **02/10/2020, 23:59 (Prague local time)** to the following email address: tenders@gsa.europa.eu. The subject of the email shall be "GSA/NP/17/20 - "Secured interlocking door (sas) and CCTV provision and installation for the GSA/GSMC in France".

No further information is required at this stage of the procedure. Economic operators having expressed their interest will be invited to submit an offer.
