

Announcement of a change in tender procedure

Procurement procedure title: Provision of mobile telephony services to the GSA

Procurement procedure reference: GSA/NP/36/19

The European GNSS Agency (GSA) is hereby informing about a change pertaining to the announced negotiated procedure for middle value contracts (ref. WFID 254444). The scope of the mentioned procedure has been changed to a higher value contract and to that end, an open procedure has been published in the Official Journal of the European Union with complementary information on the GSA website under the following reference:

Procurement procedure title: Provision of mobile telephony services to the GSA

Procurement procedure reference: GSA/OP/02/20
