### Geomatics on the Move Prize Contest

**Question #5: Can a team submit more than one ideas?**

**Answer #5:** Yes, a team can submit more than one idea, however, each idea shall be introduced as a different entry in the registration platform.

**Question #6: Regarding the required documents, should all team members, in case of team consisting of natural persons, submit the Legal Entity Form, the Financial Identification Form and the Declaration of honour?**

**Answer #6:** Natural person Legal Entity Forms, along with the supporting evidence (e.g. national IDs) and the Declaration of Honour should be submitted by all applicants. The Financial Identification Form should be submitted only for the person that will get the prize, as representative of the team, in case of award.
